## Precigen to Present at the 39th Annual J.P. Morgan Healthcare Conference

January 6, 2021

**- Management will also participate in a panel discussion at the H.C. Wainwright BioConnect 2021 Conference -**

GERMANTOWN, Md., Jan. 6, 2021 /PRNewswire/ -- [Precigen, Inc.](#) (Nasdaq: PGEN), a biopharmaceutical company specializing in the development of innovative gene and cell therapies to improve the lives of patients, today announced Helen Sabzevari, PhD, President and CEO of Precigen, will present a corporate and clinical overview at the 39th Annual J.P. Morgan Healthcare Conference on Wednesday, January 13, 2021 at 3:40 PM ET.

# PRECIGEN

ADVANCING MEDICINE WITH PRECISION™

Dr. Sabzevari will also participate in a panel discussion hosted by Scott Gottlieb, MD, at the H.C. Wainwright BioConnect 2021 Conference on January 13, 2021 at 12:00 PM ET. The panel will explore precision medicine and the importance of biomarkers and cytogenetic profiling in drug discovery, development and commercialization.

Participants may access the live webcasts of the virtual events through Precigen's website in the Events & Presentations section at [investors.precigen.com/events-presentations](https://investors.precigen.com/events-presentations).

### **Precigen: Advancing Medicine with Precision™**

Precigen (Nasdaq: PGEN) is a dedicated discovery and clinical stage biopharmaceutical company advancing the next generation of gene and cell therapies using precision technology to target the most urgent and intractable diseases in our core therapeutic areas of immuno-oncology, autoimmune disorders, and infectious diseases. Our technologies enable us to find innovative solutions for affordable biotherapeutics in a controlled manner. Precigen operates as an innovation engine progressing a preclinical and clinical pipeline of well-differentiated unique therapies toward clinical proof-of-concept and commercialization. For more information about Precigen, visit [www.precigen.com](http://www.precigen.com) or follow us on Twitter [@Precigen](#) and [LinkedIn](#).

### **Cautionary Statement Regarding Forward-Looking Statements**

Some of the statements made in this press release are forward-looking statements. These forward-looking statements are based upon the Company's current expectations and projections about future events and generally relate to plans, objectives, and expectations for the development of the Company's business, including the timing and progress of preclinical studies, clinical trials, discovery programs and related milestones, the promise of the Company's portfolio of therapies, and in particular its CAR-T therapies, and the Company's refocus to a healthcare-oriented business. Although management believes that the plans and objectives reflected in or suggested by these forward-looking statements are reasonable, all forward-looking statements involve risks and uncertainties, including the possibility that the timeline for the Company's clinical trials might be impacted by the COVID-19 pandemic, and actual future results may be materially different from the plans, objectives and expectations expressed in this press release. The Company has no obligation to provide any updates to these forward-looking statements even if its expectations change. All forward-looking statements are expressly qualified in their entirety by this cautionary statement. For further information on potential risks and uncertainties, and other important factors, any of which could cause the Company's actual results to differ from those contained in the forward-looking statements, see the section entitled "Risk Factors" in the Company's most recent Annual Report on Form 10-K and subsequent reports filed with the Securities and Exchange Commission.
